

SAUVIGNON BLANC 2023

WINEMAKER'S NOTES

WINEMAKER: CRAIG McNAUGHT

As the only grapes that we utilise from outside of Franschhoek, our Walker Bay Sauvignon Blanc grapes were hand-picked in the early morning and then whole-bunch pressed to ensure purity of fruit. In the cellar, we allowed twelve months of lees contact in stainless steel to build texture and mouthfeel, offsetting the inherent flinty freshness of the grape. No malolactic fermentation was allowed.

TASTING NOTES

The gentle pressing of the grapes delivers supreme focus in this wine. There are notes of passion fruit, fig and citrus before a wonderfully rich mouthfeel and concentrated, mineral finish. Our old-world-inspired Sauvignon Blanc can be enjoyed with grilled fish or on its own for up to eight years from vintage.

ANALYSIS

Alcohol:	12.6 %
Sugar:	2.1 g/l
Acidity:	7.0 g/l
pH:	3.18
